PUBLIC NOTICE

SCHEDULE OF ELECTRICITY TARIFFS

The Maharashtra Electricity Regulatory Commission, in exercise of the powers vested in it under Sections 61 and 62 of the Electricity Act, 2003 and all other powers enabling it in this behalf, has determined, by its Mid-Term Review Tariff Order dated 12 September, 2018 in Case No. 203 of 2017, the Tariff or supply of electricity by the Distribution Licensee, Brihanmumbai Electric Supply and Transport Undertaking (BEST) to various classes of consumers as applicable from 1st September, 2018.

General:

- These tariffs supersede all tariffs so far in force.
- The Tariffs are subject to revision and/or surcharge that may be levied by the Distribution Licensee from time to time as per the directives of the Commission.
- The Tariffs are exclusive of the separate Electricity Duty, Tax on Sale of Electricity and other levies by the Government or other competent authorities, which will be payable by consumers over and above the tariffs.
- The Tariffs are applicable for supply at one point only.
- The Distribution Licensee may measure the Maximum Demand for any period shorter than 30 minutes of maximum use, subject to conformity with the Commission's Electricity Supply Code Regulations, where it considers that there are considerable load fluctuations in operation.
- The Tariffs are subject to the provisions of the applicable Regulations and any directions that may be issued by the Commission from time to time.
- Unless specifically stated to the contrary, the figures of Energy Charge and Wheeling Charge are denominated in Rupees per unit (kWh) for the energy consumed during the month.
- Fuel Adjustment Charge (FAC) as may be approved by the Commission from time to time shall be applicable to all categories of consumers and be in addition to the base tariffs, on the basis of the FAC formula specified by the Commission and computed on a monthly basis.
